

ECWA SCHOLARS SUMMIT/CONFERENCE 2024

Theme:

THE CHRISTIAN SCHOLAR IN THE CONTEXT OF RELIGION, POLITICS, DEVELOPMENT AND HUMAN DIGNITY

Scholars who are Christians have made great contributions to elevating human welfare in their various disciplines. It is without doubt that much have been achieved in the world through the actions of Christian scholars as believers. The work and actions of Christian scholars has had positive impact on politics, development human dignity at the local, state, national and international levels. These impact notwithstanding, the course of human development within Nigeria and global contexts is still heavily challenged. There is therefore much work that needs to be done by scholars working in diverse fields of knowledge in the Nigerian and global academy to address the challenges face by mankind today, doing so from the perspective of people of faith. Consequently, the 4th ECWA Scholar's Fellowship Conference/Summit is called to offer reflection and insight in the context of what contributions Christian scholars can make towards the advancement of religion, politics, development and human dignity amidst the challenges of the modern world. In addition to the broader theme, the following are the sub-themes on which participants can send in their abstracts and expressions of interests to make participate and contribute.
